

There is no results summary for study MH21299, EudraCT# 2007-003955-35, because it was prematurely ended on 28-May-2008 and was withdrawn (i.e., cancelled prior to enrollment; 0 participants). F. Hoffmann-La Roche Ltd. (Sponsor) decided to cancel the study because the protocol design was not implementable and would not result in successful recruitment.
