**Clinical trial with the protocol title: "A Phase 2, Randomized, Double-Blind, Placebo-controlled, parallel Group Study Evaluating the Efficacy and Safety of JTT-305 Administered for Six Months in Postmenopausal Women with Osteoporosis". Protocol number AT305-X-06-004, EudraCT number 2007-005474-31**

The Danish Medicines Agency hereby signs for the declaration (annex 3 form) of the premature end of the present clinical trial in Denmark as well as in all countries submitted by the PPD's letter dated 03 October 2008.

The Agency has no remarks to the submitted annex 3 form.

Yours sincerely,

  
Suh Nielsen
