

To whom it may concern,

The study: 'Kunnen statines de incidentie van voorkamerfibrillatie na majeure niet-cardiale thoraxheeldkunde reduceren? Een gerandomiseerde, dubbel-blinde studie'. Protocol VDM02/08 versie 1- d d26/02/2008 - EudraCT 2008-001124-31, never started due to organizational reason.

Yours sincerely,

Prof. Dr. S. Rex

A handwritten signature in black ink, consisting of a stylized 'S' followed by a large, sweeping 'R' that loops back under the 'S'.
