Subject	CTA No Longer Active in UK	cc	

Dear MHRA

CTA No Longer Active in UK

CTA Number	1138/0005/001
EudraCT Number	2008-005175-10
Protocol Number:	ABD03

Please be advised that above referenced trial was never commenced in the UK, no patients were recruited. The last amendment for the study was approved in May 2009 and there has been no activity on the trial since that time. There are no plans for the study to go ahead in the future.

Kind Regards

Jackie Pullen
