

Concern: Status on Clinical Study with EudraCT number: 2009-016954-42

Zürich, 10.06.2022

To whom it may concern

The purpose of this document is to inform that the clinical study with the number EudraCT 2009-016954-42, sponsored by Swiss Cardio Technologies AG, a Swiss company based in Switzerland, has never started. No patients could be recruited and included in the study. The reasons were organizational problems.

A handwritten signature in blue ink, appearing to read "Hendrik Tevaearai".

Hendrik Tevaearai
Chief Scientific Officer
