To whom it concerns

Non-EEA sponsor: LOTUS Pharma Co., Ltd. (Japan).

Study Title: A Double-Blind, Randomised, Parallel-Group Study to Compare the Safety and Efficacy of Two Dose Levels of OMS210 with Placebo in the Treatment of Patients with Diarrhoea Predominant IBS

Protocol Number: 654-002

EudraCT Number: 2010-019343-20

The end of trial for the above mentioned study was defined as the last visit of the last patient and was completed worldwide on the 23rd of February 2012.

ICON's contract with this company terminated for certain commercial reasons in 2012. The sponsor of this study subsequently went into receivership and no trial report was prepared, therefore the trial results for this study cannot be posted.

This statement is prepared and posted within the EU CT Register by ICON based on advice received from the EudraCT team.
