NOTIFICATION OF THE END OF A CLINICAL TRIAL

“A phase 2, two-centre, single-blind study to evaluate the safety, tolerability and explore the efficacy of 8.0mg ASM8 inhaled daily for 14 days in adult subjects with moderate to severe asthma.”

Dear Sir/Madam,

Please find enclosed a Notification to the Competent Authority of the end of a clinical trial of a medicine for human use.

We regret to advise the decision was taken not to proceed with this trial. This trial did not commence and no patients were involved in this trial.

Thus, no Clinical Study Report will be provided for this study.
