**Re: EudraCT - Clinical trial assignment request - result related information Sponsor/MAH/Third country data provider name: IRCCS Fondazione G.B.Bietti**

Dear EudraCT registration team,

Acting on behalf of the sponsor, I would like to request assignment of the clinical trials listed below to the following EudraCT user:

Lucia Tanga [lucia.tanga@gmail.com](mailto:lucia.tanga@gmail.com)

This assignment will designate the user as the primary user for the listed clinical trials in regards to result related information. It will enable them to prepare and post result related information for these trials on behalf of the sponsor.

Furthermore, this assignment will enable the user to assign one backup user and multiple delegated results preparers and posters for each listed trial.

List of clinical trials:
