

To whom it may concern,

The study: "Nail involvement in psoriatic arthritis: a cross-sectional and observational prospective study."
(EudraCT: 2011-000699-32) prematurely ended on 31/12/2011 due to organizational reasons.

Yours sincerely,

Prof. dr. Rik Lories

A handwritten signature in blue ink, appearing to read 'Rik Lories', is written over the text of the letter. The signature is stylized and slanted.
