**Re: EudraCT 2011-003123-35 - Upload of Aspirin dosing in type 2 diabetes study results onto <https://eudract.ema.europa.eu/>**

The trial results were published in the journal of Diabetic Medicine February 2016, link to manuscript as follows:

<http://onlinelibrary.wiley.com/doi/10.1111/dme.12828/epdf>

As the journal has a 1 year embargo following publication, it is not possible to upload the results manuscript at this stage onto <https://eudract.ema.europa.eu/>
