To whom it may concern:

Re: 2011-00330-20 - Randomised Controlled Trial of Intravitreal therapy with Avastin compared to observation in patients with Diabetic Macular oEdema (the DIME study)

I am writing on behalf of the sponsor to inform you that the above trial has been abandoned prior to commencement. Please see attached 'Declaration of the end of trial form' for further details.

Please do not hesitate to contact me if any further information is required.

Yours sincerely,

Natasha Ajraam
Retinal Research Facilitator
