

EudraCT prematurely ended trial

EudraCT number: 2011-005541-12

Sponsor code: 2011-397

As of 2012/06/11 the trial “Efficacy of escitalopram treatment in acute stroke and the role of SERT genotype in stroke” prematurely ended.

There are no trial results, as no subjects were recruited.

The trial was prematurely ended as the study drug was not available.
