

To whom it may concern,

The study: "Impact of timolol/dorzolamide therapy on autoregulation in glaucoma patients"
(EudraCT: 2012-004946-13) prematurely ended on 01/12/2015 due to organizational reasons.

Yours sincerely,

Prof. dr. Ingeborg Stalmans

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke at the end, positioned to the right of the text 'Yours sincerely,'.
