Clinical Trial Title : «A phase II TRial evalUating the Menstrual and ovarian function of young breast cancer patients treated with a cycloPHosphamide-free regimen composed of doxorubicin and paclitaxel»

EudraCT Number : «2013-000173-77»

Protocol Number : « 2013-000173-77»

Study name : «TRIUMPH»

NO or PARTIAL RESULTS FOR THIS TRIAL

(I) Accrual

- ☒ The trial is terminated before any subject was recruited.
- ☐ The trial is terminated whereas _____ subjects/ _____ were recruited.

(II) Reasons

- ☐ The positive opinion by the Ethics Committee in charge of the trial is not granted or is irrevocably revoked.
- ☐ The authorisation by the Competent Authority of the Member State concerned in charge of the trial is not granted or is irrevocably revoked.
- ☐ The sponsor became or was declared insolvent or a petition in bankruptcy has been filed against it or it is dissolved.
- ☐ Early end of the scientific collaboration with one or more partners.
- ☐ Early termination due to safety.
- ☐ Discontinuation or change of the strategic direction of the development of the medicinal product(s) that the sponsor wanted to study.
- ☒ Trial logistics or limited trial population, as defined by the inclusion/exclusion criteria, leading to a poor recruitment.
- ☐ Publication of other clinical trials which changed the therapeutic landscape and rendered our trial design obsolete.
- ☐ Publication of other clinical trials already demonstrating the clinical interest of our trial and rendered our trial obsolete.
