### Cancelled before Active Statement

Statement of discontinuation of study	
<b>Name of Sponsor</b>	Cardiff University
<b>Study number</b>	2013-000501-22
<b>Product</b>	Ponatinib
<b>Title</b>	AML19 Pilot: A national cancer research institute acute myeloid leukaemia working group pilot trial under the auspices of the Cardiff Experimental Cancer Medicine Centre to establish the feasibility of combining the tyrosine kinase inhibitor, Ponatinib with chemotherapy in patients with acute myeloid leukaemia with a flt3 mutation.
<b>Phase</b>	II
<b>Study period</b>	N/A
<b>Centres</b>	N/A
<b>No of subjects</b>	0
<b>No of Publications</b>	0
<b>Statement on discontinuation of the study</b>	The AML19 trial was started before we could commence with AML19 pilot. Therefore, the AML19 pilot was not formally launched. The AML19 pilot was incorporated into the design of the AML19 trial.
