

Pamplona, 24 of Sep of 2021

From the Clinical Trials Unit of the Clínica Universidad de Navarra, serve this letter to notify that the clinical trial DEXCOM, which EudraCT number is 2014-002243-17:

- The trial could never be carried out because the Dental and Maxillofacial Surgery Unit ceased to be operational before recruitment could begin.
- The prematurely ending was communicated to the spanish agency on April on 02/03/2020.

Sincerely,

Javier Fernández
Project manager
Clínica Universidad de Navarra
