

Missing trial results

| EudraCT number | Sponsor code | Title |
|----------------|--------------|---|
| 2014-004830-25 | KIT | Kidney Cancer Integrated Therapy (KIT) - Personalized integrated therapy for patients with advanced kidney cancer |

The reason for missing trial results for the above mentioned trial is that the trial was never initiated, and thus no participants were recruited.

There will be no results registered in the EudraCT database.
