ASSISTANCE PUBLIQUE – HOPITAUX DE PARIS (AP-HP) is the
Sponsor of :

GANCIMVEAR – EudraCT 2015-002232-41

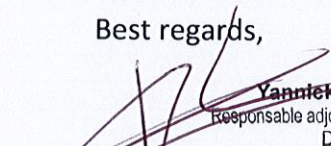

Title: Evaluation of the benefit of antiviral treatment with
valganciclovir on congenital CMV infection-related deafness on
hearing and balance

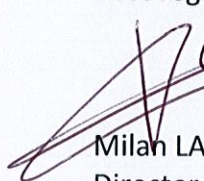

The trial has been ended prematurely on 2018/04/10 due to a
default of inclusion and the absence of a potential for inclusion
in the centers.

Only one patient has been included on 2017/07/11.

We thus confirm missing results and no final report for this trial.
