

## Premature termination of a Clinical Trial

**Full title of the clinical Trial:**

Determination of the minimal alveolar concentrations of sevoflurane in patients with end stage kidney disease

**EudraCT Number:** 2015-003141-25

**Sponsor:** Medical University of Vienna

**Represented by** (name): Plöchl Walter, Univ.Prof.Dr.

**Reason for premature termination**

**of the clinical trial:** patient recruitment unacceptably slow; goal of study cannot be reached within reasonable time.

**Study results** (if available):

**Date and Signature of Sponsor representative:**
