

20 October 2021

Sponsor:	Millendo Therapeutics, Inc.
Protocol no.:	MLE4901-101
Protocol Title:	A Double-blind, Randomized, Parallel-group, Placebo-controlled Study of MLE4901 for the Treatment of Polycystic Ovary Syndrome (PCOS)
EudraCT no.:	2016-002179-91

To whom it may concern:

The MLE4901-101 trial entitled “A Double-blind, Randomized, Parallel-group, Placebo-controlled Study of MLE4901 for the Treatment of Polycystic Ovary Syndrome (PCOS)” was terminated early due to a safety observation of elevated liver enzymes.
