**Summary attachment IMPULSE study**

EudraCT-Nr. 2019-001799-12

Protocol number EVER-AT-0618

Eudamed identification number: CIV-AT-21-06-036847

The IMPULSE study was terminated prematurely by the sponsor for pandemic and strategic reasons on March 21, 2022.

Four patients were recruited in the study center "Klinik Pirawarth". Due to the small patient population no statistical analyses were performed. No partial results are available.
