

**EudraCT
Cumulative SAE Report**

Patient ID	SAE Code	Date	Description of SAE	Relation to Trial Treatment
101	101-001	18/06/2010	Myocardial infarction	Not Related to GC
103	103-001	03/09/2010	Pulmonary emboli (P.E.)	Not Related to GC
103	103-002	03/09/2010	Myopathy	Probably Related to GC
101	101-002	09/10/2010	Coronary artery disease	Not Related to GC
108	108-001	20/11/2010	Rituximab induced thrombocytopenia	Not Related to GC
108	108-002	05/12/2010	Pneumonia	Probably Related to GC
103	103-003	10/12/2010	Myopathy and infection (sinusitis)	Possibly Related to GC
101	101-003	20/01/2011	Extensive left leg DVT	Not Related to GC
113	113-001	25/01/2011	Chest infection caused by parainfluenza virus	Not Related to GC
119	119-001	09/02/2011	Retroperitoneal bleed 7 days post renal biopsy, drop of 4g Hb.	Not Related to GC
101	101-004	01/03/2011	Acute kidney injury secondary to flare in ANCA + Vasculitis.	Not Related to GC
121	121-001	02/03/2011	Chest infection (hospital acquired pneumonia).	Not Related to GC
123	123-004	11/04/2011	Urine retention	Not Related to GC
124	124-001	12/04/2011	Hypovolemia 2 to nausea and vomiting; Presyncopal episode and acute kidney injury	Possibly Related to GC
125	125-001	12/04/2011	GI Bleed	Probably Related to GC
123	123-001	29/05/2011	Urinary retention due to urethral obstruction	Not Related to GC
130	130-001	30/05/2011	Postural Hypotension	Probably Related to GC
123	123-002	13/06/2011	Haematuria	Not Related to GC
122	122-001	14/06/2011	Loss of consciousness	Not Related to GC
132	132-001	15/06/2011	Herpetic Neuralgia	Possibly Related to GC
115	115-001	19/06/2011	Pneumonia	Possibly Related to GC
139	139-001	04/07/2011	Bacterial cholecystitis; Pancreatitis; Herpes Simplex Encephalitis, and Wernicke	Probably Related to GC
139	139-002	08/07/2011	Comatose state	Possibly Related to GC
141	141-001	14/07/2011	Anaemia and iron insufficiency	Not Related to GC
115	115-002	17/07/2011	Pneumonia caused by Legionella	Possibly Related to GC
133	133-001	25/07/2011	Abdominal pain; buccal ulceration; burning sensation in the throat; nausea.	Probably Related to GC
149	149-001	29/07/2011	Atrial Fibrillation	Not Related to GC
118	118-001	05/08/2011	Persistent microscopic haematuria and proteinuria. Haemorrhage post biopsy, Hb	Not Related to GC
133	133-002	11/08/2011	Feeling unwell, stomach pains	Possibly Related to GC
151	151-001	11/08/2011	Hypercalcaemia, hyperglycaemia and acidosis.	Definitely Related to GC
139	139-003	14/08/2011	CMV Infection	Possibly Related to GC
151	151-002	18/08/2011	Hyperglycaemia.	Definitely Related to GC
159	159-001	26/08/2011	Pneumonia-E.Coli and sepsis.	Possibly Related to GC
152	152-001	28/08/2011	I) Scrotal oedema. II) DVT arm III) Leukopenia	Not Related to GC
159	159-002	31/08/2011	Depression	Not Related to GC
128	128-001	06/09/2011	Third degree AV block.	Not Related to GC
126	126-001	08/09/2011	Pain and nausea post surgery	Not Related to GC
160	160-001	16/09/2011	Nausea post Cyclophosphamide and mechanical fall	Probably Not Related to GC
156	156-001	20/09/2011	Headache and hypertension	Not Related to GC
162	162-001	21/09/2011	Bilateral DVT's.	Not Related to GC
126	126-002	28/09/2011	MI	Not Related to GC
152	152-002	04/10/2011	Pneumonia	Possibly Related to GC
158	158-001	12/10/2011	Admitted with tiredness and weakness	Not Related to GC
126	126-003	13/10/2011	Placement of 2 stents in coronary artery	Not Related to GC
167	167-001	13/10/2011	Pulmonary haemorrhage	Probably Not Related to GC
162	162-002	18/10/2011	Flare in ANCA + Vasculitis.	Not Related to GC
152	152-003	31/10/2011	Hypertension secondary fluid overload and cocaine abuse	Probably Not Related to GC
123	123-003	02/11/2011	Elective surgery	Not Related to GC
148	148-001	19/11/2011	Neutropenia due to Rituximab (late onset).	Not Related to GC
176	176-001	21/11/2011	Hypoglycaemic event	Not Related to GC
177	177-001	21/11/2011	NSTEMI	Not Related to GC
175	175-001	22/11/2011	Fungal (Aspergillus and Candida) pneumonia; sepsis	Probably Related to GC
153	153-001	23/11/2011	Neutropenic sepsis	Not Related to GC
170	170-001	25/11/2011	Perforated bowel (secondary to constipation) with sepsis	Not Related to GC
178	178-001	06/12/2011	Acute kidney injury secondary to flare in ANCA + Vasculitis. Creatinine around 451 on	Not Related to GC
145	145-001	08/12/2011	Acute rise in serum Creatinine	Not Related to GC
177	177-002	10/12/2011	Acute renal failure secondary to flare in ANCA + Vasculitis. Creatinine around 492 on	Not Related to GC
149	149-002	14/12/2011	SOB, Fluid overload	Not Related to GC
103	103-004	16/12/2011	Chest pain, SOB	Not Related to GC
173	173-001	20/12/2011	Aspiration Pneumonia. Bilateral pleural effusion. Sputum culture positive for	Not Related to GC
176	176-002	20/12/2011	Infection (right hand) caused by Zoster Virus	Probably Related to GC
147	147-001	22/12/2011	Lower Respiratory Tract Infection	Probably Related to GC
143	143-001	09/01/2012	Severe abdominal discomfort and diarrhoea due to Azathioprine hypersensitivity.	Not Related to GC
140	140-001	13/01/2012	Cellulitis of the left upper arm post vaccination.	Probably Related to GC
191	191-001	13/01/2012	Retroperitoneal haematoma	Not Related to GC
201	201-001	24/01/2012	Respiratory failure secondary to vasculitis.	Not Related to GC
187	187-001	26/01/2012	Upper Respiratory tract infection.	Probably Not Related to GC
192	192-001	28/01/2012	Presumed "fungemia" with sepsis syndrome.	Possibly Related to GC
191	191-002	01/02/2012	Thromboembolic event secondary to discontinuation of anticoagulation	Not Related to GC
153	153-002	03/02/2012	Day surgery case (renal biopsy). Developed complications ? (what were they)	Not Related to GC
200	200-001	07/02/2012	Congestive Cardiac Failure	Possibly Related to GC
203	203-001	07/02/2012	Anaphylactic shock	Not Related to GC
171	171-001	09/02/2012	Hypertension; fluid overload secondary to CRF	Not Related to GC
159	159-003	12/02/2012	Pneumonia	Possibly Related to GC
199	199-001	12/02/2012	SOB	Possibly Related to GC
204	204-001	14/02/2012	Steroid induced psychosis	Definitely Related to GC
167	167-002	25/02/2012	Two days history of diarrhoea. Admitted for observation only.	Probably Related to GC
206	206-001	27/02/2012	Atrial Fibrillation.	Probably Not Related to GC
192	192-002	28/02/2012	Presumed bacterial sepsis	Possibly Related to GC
202	202-001	01/03/2012	Back pain and nausea	Not Related to GC

**EudraCT
Cumulative SAE Report**

208	208-001	03/03/2012	Clostridium gastroenteritis	Not Related to GC
191	191-003	11/03/2012	Pain and haematoma on the left flank ecchymosis	Not Related to GC
218	218-001	17/03/2012	NSTEMI, Atrial Fibrillation.	Not Related to GC
143	143-002	22/03/2012	Bone marrow suppression due to Aza.	Not Related to GC
207	207-001	25/03/2012	Aspiration pneumonia	Possibly Related to GC
192	192-003	26/03/2012	Pyelonephritis with morganelia sp	Possibly Related to GC
223	223-001	30/03/2012	Pulmonary oedema secondary to fluid overload	Probably Not Related to GC
158	158-002	01/04/2012	Admitted with fever and cough	Not Related to GC
233	233-001	12/04/2012	Technical difficulties with PLEX catheter	Not Related to GC
223	223-002	14/04/2012	Bronchopneumonia due to Pseudomonas Aeruginosa	Definitely Related to GC
230	230-001	14/04/2012	Cutaneous necrosis on top of the right hand.	Probably Not Related to GC
216	216-001	15/04/2012	Urinary retention secondary to benign prostatic hypertrophy	Not Related to GC
242	242-001	21/04/2012	Shortness of breath, haemoptysis, nausea with emesis.	Not Related to GC
243	243-001	25/04/2012	Femoral Deep Vein Thrombosis at the site of insertion of vascath.	Not Related to GC
164	164-001	26/04/2012	Fever, high CRP	Not Related to GC
236	236-001	26/04/2012	Dyspnoea, bilateral infiltration.	Probably Related to GC
244	244-001	26/04/2012	Pulmonary Haemorrhage	Not Related to GC
216	216-002	01/05/2012	Herpes Simplex oral infection	Probably Related to GC
231	231-001	02/05/2012	Confusion. Sepsis	Possibly Related to GC
197	197-001	03/05/2012	Fever; Pancytopenia.	Not Related to GC
149	149-003	05/05/2012	Painful and swollen elbow.	Not Related to GC
176	176-003	08/05/2012	Neutropenia secondary to upper respiratory tract infection	Possibly Related to GC
227	227-001	10/05/2012	Acute non-ST elevation Myocardial Infarction	Not Related to GC
244	244-002	16/05/2012	Acute pulmonary oedema.	Not Related to GC
245	245-001	20/05/2012	Allergic rash possible throat infection.	Not Related to GC
227	227-002	23/05/2012	Chest infection. Heart failure.	Probably Related to GC
158	158-003	24/05/2012	Back Pain	Possibly Related to GC
177	177-003	24/05/2012	Coronary Artery Bypass Graft	Not Related to GC
212	212-001	31/05/2012	Rise in Creatinine, low Hb. Possible viral infection and/or on going	Possibly Related to GC
205	205-001	04/06/2012	Non-cardiac chest pain. Right Deep Vein Thrombosis.	Probably Not Related to GC
245	245-002	06/06/2012	Gastroenteritis	Possibly Related to GC
194	194-001	07/06/2012	CRP elevation possible infection.	Possibly Related to GC
234	234-001	08/06/2012	Elective admission for blood transfusion.	Not Related to GC
185	185-001	11/06/2012	Infection	Probably Not Related to GC
238	238-001	12/06/2012	CMV pneumonitis	Probably Not Related to GC
249	249-001	13/06/2012	Chest pain	Not Related to GC
249	249-002	16/06/2012	Chest pain	Not Related to GC
249	249-003	18/06/2012	Chest pain. Loss of consciousness.	Not Related to GC
232	232-001	20/06/2012	One day history of intermittent confusion. Diagnosed with complex migraines.	Not Related to GC
216	216-003	22/06/2012	Acute on chronic renal impairment.	Not Related to GC
224	224-001	27/06/2012	Shortness of breath, fever, cough. Suspected disease activity and infection.	Probably Not Related to GC
206	206-002	04/07/2012	Post dialysis presyncopal event/leukopenia	Not Related to GC
200	200-002	12/07/2012	Congestive Heart Failure, Atrial Fibrillation, Hypotension	Not Related to GC
212	212-002	12/07/2012	Episode of Shingles.	Possibly Related to GC
253	253-001	14/07/2012	Herpes Simplex I Infection.	Possibly Related to GC
166	166-001	17/07/2012	Elective umbilical hernia repair.	Not Related to GC
211	211-001	17/07/2012	Pericarditis	Not Related to GC
236	236-002	18/07/2012	Acute right corona radiata infarct.	Not Related to GC
246	246-001	18/07/2012	24 hours of vomiting and dizziness.	Not Related to GC
215	215-001	20/07/2012	Fatigue, Shortness of breath. Major flare of ANCA vasculitis.	Not Related to GC
166	166-002	25/07/2012	Hospital acquired bi-basal	Not Related to GC
265	265-001	04/08/2012	Lower GI Bleed	Not Related to GC
165	165-001	11/08/2012	Vasculitis relapse	Not Related to GC
254	254-001	18/08/2012	Leukopenia with fever for unknown origin.	Probably Related to GC
244	244-003	20/08/2012	Likely drug reaction to Azathioprine; presented with skin rash, fever and diarrhoea.	Not Related to GC
105	105-001	21/08/2012	Raised CRP and four days history of rigors.	Not Related to GC
223	223-003	21/08/2012	SOB, likely heart failure.	Probably Not Related to GC
269	269-001	21/08/2012	Pneumothorax	Not Related to GC
166	166-003	26/08/2012	Shortness of breath, possibly pneumonia	Not Related to GC
197	197-002	29/08/2012	Infection of the tunnelled dialysis line.	Not Related to GC
197	197-003	05/09/2012	Large clot in the right internal jugular vein at the site of recently removed central	Not Related to GC
108	108-003	15/09/2012	Right side chest pain, shortness of breath, pyrexia, sepsis.	Not Related to GC
157	157-001	18/09/2012	Elective surgery for renal transplant (left kidney transplanted)	Not Related to GC
274	274-001	25/09/2012	Worsening of renal function and skin lesions.	Not Related to GC
248	248-001	26/09/2012	Hyperhydration	Not Related to GC
268	268-001	28/09/2012	Hypovolemia and postural hypotension	Not Related to GC
174	174-001	29/09/2012	Obstructing left distal ureteric stone.	Not Related to GC
189	189-001	01/10/2012	Acute kidney injury and hyponatremia and pneumonia.	Not Related to GC
272	272-001	02/10/2012	Respiratory failure	Not Related to GC
197	197-004	04/10/2012	Pseudomonas sepsis, related to the dialysis catheter.	Not Related to GC
260	260-001	04/10/2012	Chest pain	Not Related to GC
247	247-001	15/10/2012	Allergic reaction to Azathioprine. Atrial Fibrillation.	Not Related to GC
257	257-001	21/10/2012	Sepsis.	Probably Related to GC
290	290-001	23/10/2012	Gastrointestinal bleeding.	Probably Related to GC
280	280-001	24/10/2012	Septic shock	Probably Related to GC
158	158-004	26/10/2012	Fever	Possibly Related to GC
257	257-002	28/10/2012	Azathioprine intolerance (pyrexia)	Not Related to GC
287	287-001	29/10/2012	Pulmonary haemorrhage.	Not Related to GC
243	243-002	03/11/2012	Urinary tract infection? Relapse	Probably Not Related to GC
268	268-002	07/11/2012	Lower lobe pneumonia	Probably Not Related to GC
283	283-001	08/11/2012	Acute pancreatitis	Not Related to GC
281	281-001	09/11/2012	Diarrhoea and vomiting	Not Related to GC

**EudraCT
Cumulative SAE Report**

295	295-001	09/11/2012	Cerebral Haemorrhage (after receiving 1 gram of IV Methylprednisolone)	Probably Not Related to GC
294	294-001	10/11/2012	Deep Vein Thrombosis	Not Related to GC
244	244-004	12/11/2012	Anaemia secondary to myelosuppression.	Not Related to GC
248	248-002	14/11/2012	Respiratory tract infection	Not Related to GC
105	105-002	15/11/2012	Fever, chest pain.	Not Related to GC
133	133-003	19/11/2012	Chest pain.	Not Related to GC
159	159-004	23/11/2012	Weakness	Not Related to GC
131	131-001	28/11/2012	Elective admission for renal transplant.	Not Related to GC
149	149-004	04/12/2012	Blocked fistula left arm	Not Related to GC
298	298-001	08/12/2012	Deep Vein Thrombosis at site of femoral catheter.	Not Related to GC
271	271-001	10/12/2012	Intolerance of azathioprine. Stomach pains. Feeling unwell. Tried cutting azathioprine	Not Related to GC
274	274-002	20/12/2012	Steven-Johnson syndrome? Related to Augmentin (given for chest infection)	Not Related to GC
297	297-001	23/12/2012	Diarrhoea; leucopenia.	Probably Not Related to GC
279	279-001	26/12/2012	Pneumonia	Probably Not Related to GC
237	237-001	28/12/2012	Gram-negative urosepticemia.	Not Related to GC
145	145-002	01/01/2013	Gastrointestinal bleed due to arteriovenous malformation. Fluid overload	Not Related to GC
273	273-001	01/01/2013	Urinary Tract Infection and fever	Possibly Related to GC
305	305-001	04/01/2013	Anaemia	Not Related to GC
277	277-001	07/01/2013	Bilateral pneumonia	Possibly Related to GC
300	300-001	10/01/2013	Resistance oedema.	Not Related to GC
179	179-001	13/01/2013	Right femoral shaft fracture and left wrist fracture	Not Related to GC
232	232-002	15/01/2013	Upper Respiratory Tract Infection	Not Related to GC
298	298-002	16/01/2013	Accidental fall with craniofacial trauma, nasal bone fracture and fracture of the fifth	Not Related to GC
243	243-003	17/01/2013	Breathlessness. Right pulmonary embolus.	Not Related to GC
305	305-002	21/01/2013	Pneumonia caused by Pneumocystis jirovecii	Possibly Related to GC
288	288-001	22/01/2013	Leucopenia	Not Related to GC
312	312-001	24/01/2013	Bleeding duodenal ulcer	Probably Related to GC
259	259-001	05/02/2013	Fever after peritoneal dialysis catheter insertion.	Not Related to GC
269	269-002	05/02/2013	Probable infective gastroenteritis	Not Related to GC
290	290-002	05/02/2013	Pneumonia	Not Related to GC
279	279-003	09/02/2013	Presumed pneumonia	Not Related to GC
145	145-003	10/02/2013	Anaemia presumed due to gastrointestinal bleed. Fluid overload	Not Related to GC
165	165-002	10/02/2013	Bronchitis	Not Related to GC
251	251-001	26/02/2013	Relapse	Not Related to GC
253	253-002	04/03/2013	Malignant melanoma	Possibly Related to GC
227	227-003	06/03/2013	Admitted with shortness of breath and cough	Probably Not Related to GC
274	274-003	07/03/2013	Focal segmental glomerulosclerosis	Not Related to GC
320	320-002	07/03/2013	Pneumonia and norovirus	Possibly Related to GC
306	306 - 001	09/03/2013	Febrile event of unknown origin. Also developed Right L2 shingles	Possibly Related to GC
291	291 - 001	14/03/2013	Right hip fracture sustained from a fall	Not Related to GC
302	302 - 001	14/03/2013	Haemoptysis	Not Related to GC
264	264-001	16/03/2013	Admitted into hospital with right sided weakness, headache and diaphoretic of sudden	Not Related to GC
169	169-001	18/03/2013	Developed discitis secondary to tuberculosis.	Probably Related to GC
169	169-002	18/03/2013	Spinal Tuberculosis	Probably Related to GC
268	268-003	18/03/2013	Right Lower Respiratory Tract Infection	Probably Related to GC
312	312 - 002	18/03/2013	Lower Respiratory Tract Infection. Congestive Cardiac Failure- pulmonary oedema.	Probably Related to GC
320	320-001	18/03/2013	Organised Pneumonia. Pulmonary Oedema	Probably Related to GC
299	299 - 001	26/03/2013	Admitted into hospital with probable bacterial pneumonia	Probably Related to GC
145	145-004	02/04/2013	Congestive Cardiac Failure	Not Related to GC
230	230 - 002	04/04/2013	Fatigue and nausea. Anaemia. Haemoglobin of 68 g/dl	Not Related to GC
249	249-004	04/04/2013	Admitted into hospital with chest pain	Not Related to GC
296	296 - 001	11/04/2013	Hospitalised with abdominal pain and tenderness and vomiting.	Not Related to GC
198	198 - 001	12/04/2013	Left Dacryocystitis. Sudden onset of hearing loss affecting the right side.	Not Related to GC
325	325 - 001	12/04/2013	Increased shortness of breath, fever and non-productive cough. Normally on home	Possibly Related to GC
145	145-005	14/04/2013	Congestive Cardiac Failure, fluid overload.	Not Related to GC
327	327 - 001	14/04/2013	Sepsis. Unresolved diffuse Alveolar Haemorrhage. Metabolic acidosis.	Not Related to GC
249	249-005	16/04/2013	Admitted in hospital with central chest pain and left flank pain ? Urinary Tract	Not Related to GC
127	127-001	19/04/2013	Respiratory Tract Infection	Probably Related to GC
300	300 - 002	19/04/2013	Fever for 3 days. Pain in both feet, GOUT.	Not Related to GC
328	328-001	23/04/2013	Pneumonia	Possibly Related to GC
301	301-001	23/04/2013	Azathioprine Hypersensitivity reaction	Not Related to GC
326	326 - 001	26/04/2013	Macroscopic haematuria secondary to bleeding urethral carbuncle.	Not Related to GC
334	334 - 001	02/05/2013	Bleeding complications- Enterrhagia and Thrombocytopenia. PLEX - coagulopathy.	Probably Not Related to GC
308	308 - 001	11/05/2013	Shingles	Not Related to GC
253	253-003	16/05/2013	Skin erythema- suspected vasculitis flare	Not Related to GC
166	166-004	19/05/2013	Chest Infection in the setting of Chronic Obstructive Airways Disease and Emphysema	Probably Related to GC
336	336 - 001	19/05/2013	Septic shock secondary to urinary tract infection secondary to E.Coli. Pancytopenia.	Not Related to GC
233	233-002	27/05/2013	Admitted to hospital on 29.05.13 with diverticulus.	Not Related to GC
312	312-003	28/05/2013	Fluid overload	Not Related to GC
315	315 - 001	31/05/2013	Diarrhoea due to high dose of steroids given for refractory vasculitis.	Possibly Related to GC
348	348-001	01/06/2013	Severe abdominal pain secondary to right and left retroperitoneal bleed. Haemoglobin	Possibly Related to GC
145	145-006	05/06/2013	Congestive cardiac failure. Fluid overload	Not Related to GC
302	302 - 002	06/06/2013	Congestive cardiac failure.	Not Related to GC
350	350-001	10/06/2013	Steroid psychosis	Definitely Related to GC
353	353 - 001	12/06/2013	Lightheadedness and diaphoresis secondary to hypotension. Haemoglobin of 65g/L on	Possibly Related to GC
253	253-004	17/06/2013	Severe abdominal pain, nausea and high inflammatory of unknown origin	Not Related to GC
306	306-002	17/06/2013	CMV Retinitis	Definitely Related to GC
348	348-002	18/06/2013	Purulent, coloured discharge around the drain site of a JP drain inserted offer	Not Related to GC
337	337-001	21/06/2013	Collapse	Not Related to GC
308	308-002	22/06/2013	Dizziness with nausea, emesis and a syncopal episode.	Not Related to GC
351	351-001	24/06/2013	Musculoskeletal pain; poor quality of life.	Not Related to GC
358	358 - 001	24/06/2013	Recurrent severe respiratory syndrome likely due to uncontrolled vasculitis with	Not Related to GC
