22 November 2016

Dear Sirs / Madams:

Infinity Pharmaceuticals, Inc., located at 784 Memorial Drive, Cambridge, MA 02319, United States, is transferring sponsorship of the clinical study

IPI-145-19; "A Two-arm, Phase 1b/2 Study of IPI-145 Administered in Combination with Rituximab or Obinutuzumab in Subjects with Previously Untreated CD20+ Follicular Lymphoma (EudraCT Number 2014-005459-13)"

to Verastem, Inc., located at 117 Kendrick St., Needham, MA 02494, United States.

The date at which this transfer is final is January 1, 2017.

Infinity, therefore, relinquishes all duties of the sponsor on this date.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tamyra Toole", written over a light blue circular stamp.

Tamyra Toole, J.D., R.N.

Vice President

Regulatory Affairs and Quality Assurance
