

14<sup>th</sup> of September 2022, Amsterdam

To whom it may concern,

I hereby disclose that the results of the aspirin-trial (ASsessment of Platelet function and Inhibition in patients Recovering from a severe Infection - 2016-004303-32) are currently being analyzed. A full data set and/or summary will be uploaded after publication.

Kind regards,

J.J.K. (Jeske) van Diemen, MD, PhD
